

# Alert and Warning Systems

## How Can We Contact You in an Emergency?

### Emergency Alert System

(EAS) is a County-wide alert which provides emergency messages on your TV and AM/FM radio during regional disasters.

**Registration not required** 

Message will be sent by the County of Orange

### Wireless Emergency Alerts

(WEA) are urgent alerts sent to your cell phone based on your location. WEAs alert you with a unique sound and vibration, both repeated twice.

**Registration not required** 

Message can be sent by the City of Aliso Viejo, County of Orange, or the Federal Government

### AlertOC

is Orange County's Emergency Notification System which is geo-targeted based on registered location to allow public officials to communicate lifesaving information to areas impacted.

**Register at**  
**[www.alertoc.com](http://www.alertoc.com)**

Message will be sent by the City of Aliso Viejo and the County of Orange

### Nixle

is the city's alert system which sends text alerts to everyone registered regardless of your location in relation to the incident.

**Sign up by texting**  
**92656 to 888777**

Message will be sent by the City of Aliso Viejo

**Communication is key in an emergency.
