OFFICE SOUGHT: City Council
WARD/DISTRICT # _____ **(If applicable)**

NAME: MAX DUNCAN

AGE: 50
(Optional)

OCCUPATION: Technology Architect

Together with my wife of 20 years, we are raising two awesome kids, and we are very proud to call Aliso Viejo home. I am an Orange County native, long time Aliso Viejo resident, entrepreneur, IT professional, and business leader. I am deeply involved in our community through volunteer efforts at our schools, YMCA leadership roles, coaching AVLL, and girl's soccer.

I feel a special connection with our great city, and I am running for city council to give back for the incredible experience it has provided. I have a deep passion for keeping Aliso Viejo safe, and family-friendly, and to maintain our quality of life.

- I will support and enhance law enforcement efforts to address the visible uptick in crime
- I will prioritize efforts to address redevelopment of Town Center
- I will oppose any increase in taxes or fees, and promote fiscal responsibility
- I will work to enhance pedestrian, bike safety and education for our residents
- I will promote transparency and community involvement with city council initiatives

Aliso Viejo is a special place and with your vote, I will bring thoughtful leadership, transparency, a fresh perspective, and creative solutions to the challenges facing our city.
